SOUTHERN STATES REALTY

Beautiful hunting and timber tract for sale Jefferson County, MS. This 115 acres is located in the NE part of Jefferson County in the McBride community. This area is known for its great deer and turkey numbers. This area is also known for its great deer genetics. The property is located on Housley Road which is a very low traffic road. The tract has 6 established food plots some with box stands included. The timber on the tract is mostly mature pine timber that has been thinned creating great deer habitat and also making this tract a great timber investment. The property also features a small pond and a flowing creek that helps hold the wildlife on this tract. There are several areas of mature hardwood bottoms that make a great place to catch that big buck easing through. This place is truly a wildlife paradise. So, if you are looking for a great hunting tract with great timber at a great price, you need to check this one out! Call today to set up your private showing of this recreational paradise.
