Hunting land for sale with camp Natchez, MS. Welcome to Death Valley! Death Valley is 344+/- acres located less than 5 miles east of Natchez in big buck Adams County, MS. This turnkey hunting tract features a 3 Bed/2 Bath camp with front and back porches, skinning shed and 3 equipment barns. As you leave the camp on the great internal road system you'll cross several small creeks with custom bridges as you ease your way to one of the 10+ food plots. The food plots feature first class box stands, ladder stands, spin and protein feeders. A quick look at the trail cameras and you'll see that this place is loaded with wildlife. The deer numbers are high and genetics are great. Several of the best bucks made it through the season and should be even better next year! Don't forget about the turkeys and small game. Death Valley has plenty of turkeys and should be great squirrel hunting as well. There is also an area that was previously a lake that could be converted back into a beautiful water feature.
