

Country Oasis: 26.96 Acres Awaits!

#6860-#68834-26.96±Acres-\$79,900.00 Embrace tranquility and endless possibilities on this expansive property. Zoned agricultural with no restrictions, it invites you to build, farm, homestead, or enjoy recreational pursuits like hunting. A prepared building site with wide-open views awaits your personal touch, and a picturesque pond adds to the charm. Unleash your creativity by restoring the rustic barns at the front entrance. It's time to turn your dream of country living into reality! This 26.96-acre haven promises peace and quiet, offering a canvas for your ideal country lifestyle. The unrestricted agricultural zoning allows the freedom to shape the land as you desire – whether it's building your dream home, cultivating a farm, homesteading, or simply using it as a weekend retreat. The thoughtfully prepared building site with expansive views is a blank slate for your vision. Nature lovers will appreciate the beautiful pond that gracefully straddles the property line, providing both a serene backdrop and recreational opportunities. Meanwhile, the charming barns at the front entrance offer the chance to revive rustic allure and add character to your country retreat. Escape the hustle and bustle, and immerse yourself in the serenity of rural living. Live the country life you've always envisioned on this expansive property, where every acre is an invitation to explore the beauty of nature and embrace the freedom of unrestricted possibilities. Your country oasis is ready – make it yours!
