

Hunting land for sale in Franklin County adjoining the Homochitto National Forest. Welcome to the Quentin Rd 42. This tract is 42.3 surveyed acres across the road from the Homochitto National Forest. The property is comprised mostly of planted pines providing great habitat for deer while the western border is comprised of the Homochitto National Forest. The property has all of the features that make a great hunting tract such as a great internal road system, big food plots, and great habitat. The property is also in a great surrounding area. With the additional acreage you can hunt on the National Forest, you never have to worry about running out of room for family and friends to hunt. There is already a campsite established with power available. Franklin County is known for being a great deer and turkey area, and this tract is no different. Properties connected to the Forest are rare to find, especially at price points and sizes like this. Give us a call today for more information and to schedule your private showing. Owner/Agent
