Southern States Realty

80 acres of hunting land for sale in NW Amite County. Great hunting and recreational land tract with roads, food plots, and stands. The property has a great stand of 17-year-old planted pine covering approx. 70 acres and there is also about 10 acres of big mature hardwood bottom. Located in Amite County, which is known for its deer population, this property holds a lot of mature bucks and also has a great turkey population. If you are looking for a nice recreational land tract with significant timber value, call us today.
