

Laurel Creek Farm: Hunt, Ride & Relax

#71660-#71200-576±Acres-\$1,499,000.00 Paradise Found! At the end of a state road lies the serenity of Laurel Creek Farm, set in a wide valley surrounded by scenic views and abundant wildlife habitat. Miles of trails await both novice and experienced ATV riders. A spacious, comfortable cabin—reconstructed around 1900 from two hand-hewn cabins—offers rustic charm with modern updates. Sunlit meadows, cool mountain springs, and a stocked pond flow into Laurel Fork Creek, home to native trout. About half the timber was selectively cut years ago; young growth now supports wildlife including deer, turkey, bear, bobcat, and more. Many stands of high-quality timber remain. Logging created excellent trail networks for hiking, riding, and horses. Ride for hours without retracing your path. Ideal for a family compound, hunting club, or corporate retreat. Bounded by Buckhorn and East River Mountains. Minutes to I-77/I-81, Bluefield, Wytheville, and Bland.
