States Realty**

Hunting Land for sale in Amite County, MS. Check out this +/-50 acres north of Liberty in Amite County. This property is truly a blank canvas with unlimited potential. There are multiple food plots, a house site, and interior roads throughout the property. The property consists of a cutover that was replanted 1-2 years ago. This property sits in a beautiful area with great neighbors and large landowners. If you know anything about the Amite County market, you know this one will not last long. All this property needs is a little vision and TLC, and you will have your dream property. Check this one out before it is too late.
