

14+- Acres in Summit, MS In the desirable North Pike School District, this 14+- acre property offers 1,000 feet of road frontage with power and water available at the road. The tract is covered in pine timber, providing both privacy and recreational opportunities. With its convenient location just minutes from Summit, it's an excellent choice for a homesite, small hunting tract, or investment property. The large amount of road frontage also makes it easy to divide into smaller parcels, giving this land plenty of future potential.
