Here is a rare opportunity to own 13± acres tucked away in the Homochitto National Forest just south of Meadville, Mississippi. Surrounded by thousands of acres of National Forest land, this property offers the benefits of a much larger recreational tract without the cost and upkeep of owning hundreds of acres. The tract features a campsite ready for weekend stays and hunting season, along with several established hunting locations so you can begin enjoying the property from day one. The surrounding Homochitto National Forest is well known for excellent deer and turkey hunting, providing access to miles of additional hunting and recreational opportunities. Convenient to Meadville while still offering the privacy and seclusion buyers want, this manageable tract would make an ideal hunting camp, family getaway, or weekend retreat. More acreage is also available for buyers looking for additional room and hunting opportunities.
